CIBSE

Society of Public Health Engineers (SoPHE) (cibse.org)

CHARTERED INSTITUTION OF BUILDING SERVICES ENGINEERS (CIBSE)

In 2015 the AHSCA WA Chapter formed a partnership proposal with the Chartered Institution of Building Services Engineers (CIBSE). CIBSE is an international professional organization representing Building Services Engineering.

Seeking support from the members to continue with the dialogue for a partnership proposal

The Chartered Institution of Building Services Engineers (CIBSE) is the professional body that exists to advance and promote the art, science and practice of building services engineering, to invest in education and research, and to support our community of built environment professionals in their pursuit of excellence.
